

State Theatre of Eisenach

In 1879, the Eisenach people inaugurated their new theatre in classical architectural style. World-famous artists like Zarah Leander, Asta Nielsen, Adele Sandrock, Henny Porten or Eduard von Winterstein have stood on this stage.

Since 2009, the "Cultural Foundation Meiningen-Eisenach" has ensured the long-term existence of the State Theatre of Eisenach and the variety of the range of offer: the repertoire includes opera, operetta, musical, ballet/dance theatre, play, youth and children theatre, puppet theatre and even symphony concerts. Interested persons may find the varied programme, current topics, and information about the ensemble and sponsors of the State Theatre in the Internet at www.theater-eisenach.de.
