Van Mühlhausen naar het nationaalpark Hainich **From Mühlhausen to the Hainich National Park**

After a visit to the medieval Free City of Mühlhausen, you can enjoy a trip by the National Park Bus in direction of the Hainich National Park. A stop in Niederdorla enables you to take a snapshot at the geographic centre of Germany before the tour continues to the Germanic settlement "Opfermoor Vogtei". In Kammerforst, apart from the National Park Information, the Hainich High Rope Course and welcoming hosts, the visitors will also find the UBIS as well as the Wildcat Children's Forest, a play paradise for young explorers. In Weberstedt, you can walk the Fairy Nature Path Feenstieg to Thiemsburg at the Canopy Walkway.
