

## Outdoor swimming pool Weberstedt

This outdoor swimming pool is peacefully situated at the edge of the little National Park Municipality. Offering a sunbathing area and a beach volleyball court, it has simply everything you need on a hot summer's day for recreation.

In summer, the outdoor swimming pool is a real attraction for young and old alike. On sunny days, it invites you to relax and to cool down. In the beach volleyball court that was established in 2016, you can enjoy sporting activities. Thanks to a modern filter system and additionally purchased technology, the quality of the water is on a very high level. There is a separated children's area with a slide in one part of the pool. A real benefit for the whole region between Bad Langensalza and Mühlhausen!
